ACCOMODATION outside Athens, by the sea

If you prefer staying at a hotel on or near the beach so you can enjoy the sun and the sea, have your family there, but also want to be in a relatively close distance from the area where the conference will take place, you may stay EITHER at a hotel on the mainland on the beach, at a short distance from Athens OR in a very close to Athens island, with frequent (every hour or more frequent) connection by small ships with Piraeus. These would be solutions for those who will stay longer in Greece to enjoy some holiday and/or who will travel with their family.

(A) The mainland on the beach:

Some residence that may suit you are listed below. You could also take a look at the relevant sites on the internet such as www.booking.com and www.tripadvisor.com as they are updated and you may find something interesting that we didn't notice.

- Aegeon Beach Hotel www.aegeon-hotel.com/en/

The distance from the seminar venue would be around 60 minutes. There is buses but the hotels also have usually transportation facilities, to be pre-arranged.

(B) Aegina Island or Poros

Aegina is a small and pretty quiet island in the centre of the Saronic Gulf. This will require a 40 minute trip to and from the port of Piraeus by speed crafts (flying dolphins) that have frequent connection (every hour or even every half hour in the summer).

Poros is another island of the Saronic Gulf about an hour by speed craft (flying dolphin) from the port of Piraeus twice a day and probably more often in summer.

From the port of Piraeus until the seminar venue in Athens, you should count with 45 min bus drive or quicker by taxi.
